Hyderabad: 29 more corridors to get link roads

• 2 days ago 🔥 32 📖 1 minute read

The State government is improving connectivity on a mission mode in high-density traffic areas in the IT Corridor. While the development of link roads under the Missing Links Projects – Phase 1 and 2 is under way, the Hyderabad Road Development Corporation Limited (HRDCL) has identified 29 new corridors. Missing links in the 29 corridors will be developed at a cost of Rs 491.49 crore under the Missing Links Projects Phase 3.- Advertisement –

Under the third phase, a 6.5 km link road from Chandanagar Railway station to Venkateshwara Nagar Layout (South) which includes the Chandanagar Railway Station to Vishali Nagar North link road, 1.6 km link road from Road Number 45 Jubilee Hills to Durgam Cheruvu and 1.5 km link road from Ameenpur Village to HMT Colony in Miyapur have been identified.

Meanwhile, works taken up in the first two phases are underway at a brisk pace. As per HRDCL records, under Missing Links Projects (Phase 2) development of 13 link roads is underway at an estimated cost of Rs 298.56 crore. Currently, the 0.75 km Alkapuri Township- Radial Road 5 Narsingi stretch, 1.75 km Dollar Hills- Neknampur stretch and 3.89 km ORR – Lanco Hills stretch

are being developed in Phase 2. Meanwhile, five roads are in the tenders stage and preparation of a Detailed Project Report (DPR) is under progress for five roads.
